PRESS STATEMENT

AFC LEOPARDS BRANCH CHAIRPERSON'S.

Members of AFC Leopards and the Fourth estate, today the 4th June, 2019, the branch chairperson's held a meeting with the clubs Elections Management Group at the clubs Secretariat at vision plaza in regards to the clubs elections scheduled for the 23rd June, 2019.

After the meeting, we are happy to announce to the members of AFC Leopards that EMG is working round the clock to ensure that the clubs holds free, fair and credible election by putting in place several measures and procedures for the eventful day.

1. Elections Process.

The Elections Management Group (EMG) has advised the Branch chair's their main role is, logistics for the elections.

The elections group has outsourced services of an independent body (IEBC) to oversee the clubs elections on the set date. IEBC will run the clubs elections on the 23rd and therefore they will be rolling out the elections guidelines in due course. Independent observers too will be available on the voting day and among observers approached for this particular day are:- The registrar of sports, sports council, National Olympics Committee of Kenya (NOCK).

The elections group has assured members of the club that their security on the material day is guaranteed and no member of the club should feel insecure to come to exercise his/her democratic right. Security will be as from the Thika Superhighway bus terminus.

2. Constitution.

We would like to urge our members to uphold and protect our club constitution. The branch chairperson's committee respects the club constitution that was amended by MEMBERS OF AFC LEOPARDS is the year 2017. The constitution recognizes only the registered members of the club. Registration to the club is through annual payments. The elections bylaws in the constitution are very clear and should be adhered to. We urge our members not to take any shortcuts in desire to fulfill one's personal interests.

We want to tell members of the club, majority of the people going round with plans to stop the coming elections are not our registered members for the year 2019 as is required by the constitution. We humbly urge them, first register with the club, attend the AGM and air your grievances to member's for consideration. Let's try our best and refrain from court cases that have destabilized our sporting function for long.

The committee of Branch chairperson's would like to inform members that, we are not part of the amorphous group and we don't support them.

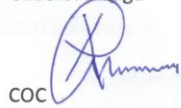

Finally, we would like to urge all candidates, their agents and members to engage in peacefully elections in this campaign period. Let's all preach peace and love. AFC Leopards belongs to all of us and campaigns should not divide us. Thank you and God Bless you.

With Regards,
Kevin Mukokha
